

LEGENDARY BIRTHDAY PARTIES

DATE, TIME, & COST

Birthday Party Rentals are \$200 for three hours with one hour to set up and two hours to party. You bring the party and we do the set up and clean up. Essentially, the entire three hours is all yours so if you choose to invite friends in earlier, just simply let your guests know when to arrive! We are currently able to host birthday parties on Saturdays from 9-12 or 1-4.

GENERAL INFORMATION

- We provide four 8ft tables, two 4ft tables, and chairs to accompany them.
- We offer access to all of the gym equipment giving your child and their friends a fun filled experience to run around and play!
- We recommend that you bring tablecloths for the tables.- Cake, drinks, and any other food items are welcome- Bring any decorations that you wish to use to dress up our lobby area. We provide tacks, tape, and scissors so you can put decorations wherever you wish.
- We are able to set up a piñata if you are interested.
- We have a stereo with a safe kids playlist for music. You are welcome to use your own music if desired.
- There is no limit to guests as we have enough room to accommodate everyone.

RULES

- All guests will need to take their shoes off before entering the big gym to help keep the play area clean for the kids!
- All guests must wash or clean their hands after eating before entering the gym.
- We do have a sprinkler system in the gym and balls can sometimes get kicked or thrown to the ceiling. We ask that all guests keep this in mind and adults refrain from partying too hard with a strong kick or baseball throw as we would not want to have to end the party early. This has never been an issue, but we always want our guests to be aware!
- The best rule of all.... HAVE FUN!

PAYMENT

Payment is not due until the day of the party. Early payments are accepted. We accept cash, venmo (@heathertup23), or check made out to Legend Athletics.

Please let us know the date and timeframe that works best for you and if you have any questions!
